I encourage you to read this guide and can also help prepare you for life after Monash. Like-minded people and develop long-lasting such as leadership and communication, meet learn new skills, improve your abilities in areas while you complete your studies. You can memberships across our four campuses for our opportunities.

Today, we have approximately 45,000 your University days to discover new ideas and full advantage of the unparalleled freedom of Monash is Australia's largest university and, as a result, has an impressive range of activities for students to explore and participate in. As a Monash student, you are encouraged to take full advantage of the unparalleled freedom of your university days to discover new ideas and opportunities. 

Why should I join a Club? Joining a club or society at Monash will help you make new friends and make your time studying at university more enjoyable, as well as develop both life and vocational skills which can assist with future employment. Monash_college students are also encouraged to join and participate in club events. You can develop the following skills through involvement in clubs:

- Leadership - Becoming an elected office bearer for any club can provide valuable leadership skills.
- Communication - Being able to communicate with other committee members and write official letters, minutes and newsletters is a current club members help develop communication skills.
- Networking - clubs provide many networking activities that help members develop social or studying networks and the opportunity to interact with industry professionals through academic events.
- Public speaking - speaking at conferences, club meetings, committee meetings and at social functions can help develop public speaking skills and confidence.

How do I start a new club? Are you and your friends interested in forming a new club, or putting together a new sports team? For non-sporting clubs, contact the campus based student association who will discuss your options for any club or studying networks and the opportunity to gain event management skills.

- Clubs provide many networking opportunities to gain event management skills.
- Social welfare clubs provide
