

MSA Honoraria Transparency Statement

The MSA recognises that organisational transparency is fundamental to the effective operation of a student union. As such, recognising that students have a right to be informed about the remuneration of their elected representatives, please see below honorariums for MSA Office Bearers.

All office-bearers are paid an honorarium from 1 December of the year they were elected until 31 December of the following year based on the base honorarium for all office-bearers and a pay fraction for the relevant office-bearer position.

Office-bearers may share duties for an office-bearer position in all positions other than President, Secretary and Treasurer, in which case a higher total honorarium applies, which is split between the Office-Bearers in accordance with a Position Sharing Agreement. Under the Regulations for Student Representative Regulations, there are occasions when an Office Bearers honorarium may be deducted or withheld.

The current base pay fraction for office-bearers is **\$44,500.00** per annum as set by the MSC on 19 November 2025. The pay fraction for each Office Bearer is contained in the Student Representative Regulations.
